

### THERE ARE TWO DIFFERENT TYPES OF ACCOUNTS FOR INMATES

1. Commissary/Phone account – \$\$ deposited into this account becomes the inmate's money. They can purchase commissary, make debit calls, get haircuts. Etc.
2. Phone account - \$\$ in this account belongs to the individual setting up the account. This account is strictly a phone account in which you give the phone numbers that you will accept collect calls from the inmate to.
